**B. 2.for the masses who to fulfill their dream of fluent communication in English .the bilingual approach used in 'educonnect language connects'makes it a self-paced learning program that help learners to relate the known ( in their own language) to the unknown(in the English language**

### II. 2.why is the project unique?

**III. 'Educonnect language connects' aims to connect people through language. It was conceived with the idea of creating a produage that can be anyone anytime at any place to learn English through any language at any pace.**

### Advantages:

**1.efficiency:online learning affers teachers an efficient way to deliver lessons to students .online**

learning has a number of tools such as videos PDFs podcasts and teachers can use all these tools as part of their lesson plans

**2.Accessibility of time and places:**

another advantages of online education is that it allows to attend classes from any location of their choice

**Disadvantages:**

**1.Technology issues : another key challenge of online classes is internet connectivity.**

**2.Sense of isolation: students can learn a lot from being in the company of their peers.**

## Says

What have we heard them say?  
What can we imagine them saying?

of interest on  
marketing, marketing  
is a comprehensive  
term and it includes all  
activities necessary to  
direct and influence  
the flow of goods

## Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

These marks are a  
tool for helping  
your students  
learn to think as  
they read.

# Marketing

## Does

What behavior have we observed?  
What can we imagine them doing?

The activity of  
checking, correcting,  
and giving a mark to  
students' written work.  
I haven't got one yet  
but often because I  
have a lot of marking  
to do.

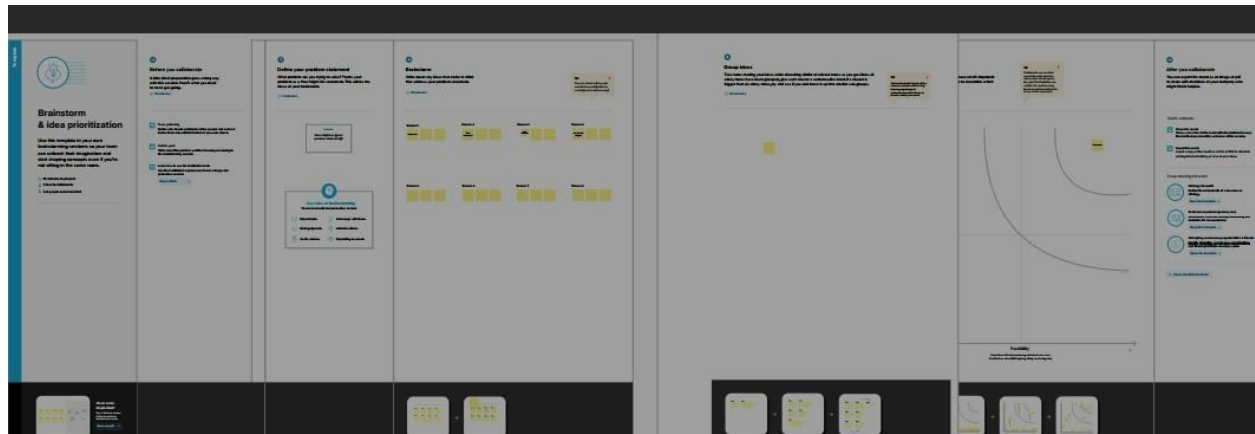

## Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?

is felt used in  
preparation for  
marks in design (as  
old or young)  
discussible on the  
face of the finished  
paper.
